Summary

I'm a passionate web developer with a simple background in creating dynamic, responsive, and user-friendly websites. I am a slow learner but I learn with dedication and hardworking. Proficient in HTML, CSS, JavaScript, and various web development frameworks (beginning stage), My expertise includes front-end development, back-end integration(learning). I am eager to apply my knowledge and grow as a developer through an internship, contributing to real-world projects and learning from experienced professionals.
